

OneTribe® Enterprise Tribal Services Solution

Our OneTribe platform provides a seamless solution for managing all aspects of Member Services for any size of Tribal Government.

Member Services

Intertribal Enrollment Solution – All programs connect to accurate up to date member data from the centralized Enrollment Module.

Social Services

Elders, Family Services, ICW, APS, DV and Tribal Courts.

Education

Higher Education and Scholarship, Children Clothing, Johnson O'Malley.

Employment

WIOA, Youth Services, Summer Youth, Job Training, TERO, Career Development.

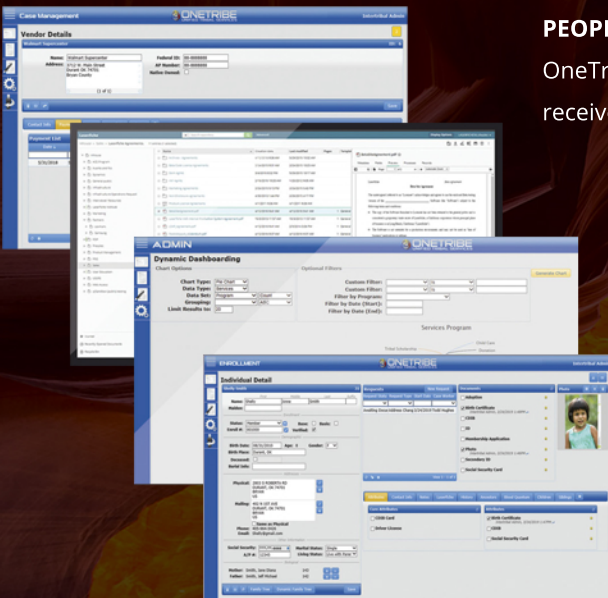

Member Portal

Secure Online Applications and Document Management.

Reporting Analytics

Generate your Department required reports for Federal, Grant and Operational requirements.

PEOPLE MANAGEMENT

OneTribe allows for a single entry of every person and household who receives services. Removes the duplication of data and ensures accuracy.

FINANCE MANAGEMENT

Track all service related expenditures throughout budget life cycle for service performance and planning management.

VENDOR MANAGEMENT

Manage vendors and service provider's information. Connect to Financial Accounting system with AP integration for service payments.

RECORDS MANAGEMENT

Integrated with the powerful Laserfiche Electronic Records management system. Scan, Index, and Organize service-related information.
